

THE FACES

of Main Street

The Luray Downtown Initiative was formed to facilitate rehabbing the town through the Virginia Main Street program. This feature is an introduction to some of the folks that form the fabric of Luray's Downtown ...

WHO: Brothers Graeme Davies and Dean Wallbridge

WHAT: Mountain Memories Photography

WHERE: 10 E. Main St.

HOW LONG: Since October 2002

DID YOU KNOW?: The brothers have lived in Australia, Canada, Lebanon, Tehran and Italy. They offer Web page design as well as affordable high speed Internet access to tourists away from families or locals needing daily, evening or Sunday access. They are open weekdays and Sundays from 10 a.m. to 9 p.m. The shop is an Internet cafe, without the cafe. Also, "Graeme" is pronounced like "graham" cracker.

WHAT'S SPECIAL ABOUT DOWNTOWN LURAY?

"Luray is a beautiful place. People come to our shop, see our calendar, have their pictures taken, because we are sensitive to ridding our clientele of small flaws. We can turn bitten fingernails into a manicured hand. Folks see that Dean can airbrush and computer correct minor imperfections and bring out the subject's inner beauty. We also love capturing special moments and providing families tangible evidence of their history and Luray's history."

This feature is produced in cooperation with the Luray Downtown Initiative.
